

Charlottetown, PEI, Sunday, June 8, 2008

Great successful HOO in PEI last night! Over 75 people including many survivors, a Member of Parliament and a City Councillor! They raised over \$1,500! Lots of volunteers for next year and for our Montreal conference!

Congratulations to PEI HOO co-chairs Eric Creamer and Ken Murnaghan on a great job!!!!

There was excellent media coverage including an [excellent article on BIAC, the HOO and Mr. Murnaghan](#), who is a survivor who had a brain injury when he was 10 years old. Our volunteer Tina George arranged the coverage!

Grant and Stephen Harrison came to Charlottetown from Fredericton, New Brunswick and so did Gerald Daigle from Moncton, NB.
